

DOMINIC COLLEGE NEWSLETTER

11 February 2022

From the Principal

A New Chapter Begins at Dominic!

Welcome to all families for the 2022 Academic Year. I extend a special warm welcome to our new families who have joined our Dominic community and wish you and your children all the very best as you commence your journey with us. It was a wonderful feeling to greet our P-10 students last Thursday and our new Kindergarten students this week.

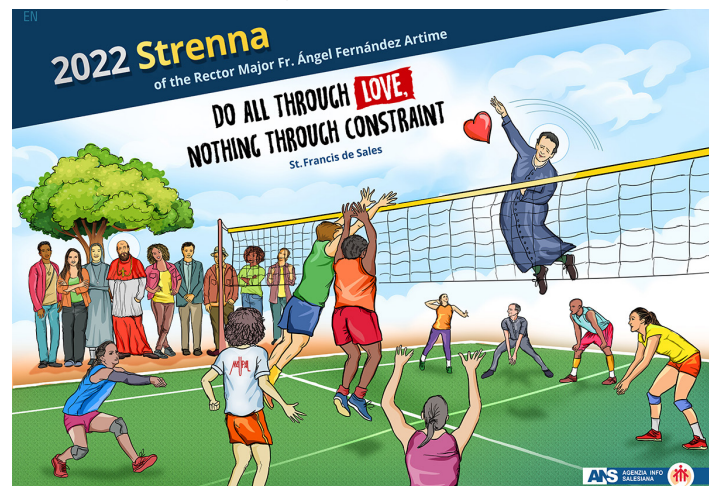

I feel privileged to be your new Principal and I am grateful to everyone for your support in ensuring that the return to school for students has been as smooth and safe as possible, especially with all the current restrictions in place. I look forward to sharing with you our future plans and goals for the College over the course of this year, as we transition and plan towards our 2023-2026 Strategic Plan. The College Board, Dominic College Staff and I are excited for the year ahead and we are overjoyed to have our amazing students back

with their joyous smiles and happy faces! Congratulations to everyone on a great start to the year!

We have returned to 2022 with a healthy enrolment of just over 1000 students in K-10. The College continues to receive enquiries about future enrolments, which is very pleasing and a result of the high expectations and standards we hold when it comes to the quality of learning, care and spiritual nourishment on offer at the College. My thanks to all members of the community, especially our students, for commencing 2022 upholding those high expectations.

As I walk through classrooms and playgrounds each day, I can already see our 2022 theme inspired by St Francis de Sales - 'Do all through LOVE, nothing through constraint' alive throughout the College in the way students have been focused and engaged with learning and have nurtured positive friendships as they play and have fun together – a crucial element of being a Salesian school!

Staff Preparation and Planning and COVID 19 Update

Last week our staff took part in three extended Professional Learning and Planning Days to prepare for the return of students this year. We also welcomed our new staff and presented them with candles to signal the start of their journey as members of the Dominic community.

'Do all through LOVE, nothing through constraint.' - St Francis de Sales

Extensive work was done to ensure all areas of the school were deep cleaned and sanitised before classes commenced. We have employed a cleaner for a few hours each day to ensure that all touch points and communal areas are cleaned regularly throughout the day. This is on top of our regular cleaning schedule. All families would now have received two masks and Rapid Antigen Test Kits for each child enrolled at the College. I thank everyone for following the required procedures in reporting illness and absence to the College responsibly.

We are confident that our COVID-19 plan is being actively enforced by all and that adequate measures are in place to keep everyone safe, in line with Department of Health guidelines. We will continue to review and evaluate as the term progresses and provide updates as needed. A reminder that any questions regarding COVID-19 and our plans regarding this should be directed to whs@dominic.tas.edu.au

Newsletter 2022

This year our Newsletter will be issued six times per term – in Weeks 1, 2, 4, 6, 8 and 10.

The newsletter format has changed slightly to encompass our **Charter for Salesian Schools** –

a HOME that welcomes,

a PARISH that evangelises,

a SCHOOL that prepares for life and

a PLAYGROUND where friends meet.

There will still be lots of photos and summaries of all the great things happening at Dominic for you to enjoy and follow, showing how we are living out the four areas of the Charter actively at our College each day.

Communications

Just a reminder that if you have any questions or queries about your child's learning or wellbeing, the first point of contact is always your child's K-6 Classroom Teacher or 7-10 Pastoral Group teacher. They will be able to direct you to the right person to help you if they cannot assist you directly. If you need to meet with a teacher or member of staff, please make contact via email to make a scheduled appointment time, for everyone to be able to meet conveniently and productively.

Best wishes for 2022

I look forward to a wonderful 2022 with you all and cannot wait to see all students learning, playing and thriving over the course of the year. Every blessing to you all for the year ahead!

Year 7 Belling-In

The academic year started last Thursday, with Year 8-10 students and staff officially welcoming our Year 7 students into their secondary education through our traditional 'Belling-In' procession. Our 2022 College Captains led the procession using four of our historic bells.

Our Year 8-10 students and staff formed a guard of honour to welcome students into our 7-10 family and to wish students the very best for their days at high school.

Kinder tuminana 1, 2 & 3

Starting their schooling journey with us were our tuminana Kindergarten classes for 2022 who commenced this week. On Monday, tuminana 1- Mrs Amanda Brown with Miss Emily Claridge, Tuesday, tuminana 2 - Mrs Bradi McGee with Miss Molly Hodge and Wednesday, tuminana 3 with Mrs Jane Doyle with Miss Zoe Gilligan-Dillon, all warmly welcoming their students to their new classroom.

All students settled very quickly and enjoyed participating in the various activities. We thank all parents/guardians for the time and effort you obviously spent in preparing your child for this important step in their formal education and for being respectful of the COVID restrictions that are in place by dropping children outside of the classrooms in the morning.

Uniform Shop opening hours

Just a reminder that the Uniform Shop, which is situated in the K-6 area next door to the K-6 Services Office, has the following opening hours during term time:

Monday 8.00am – 12.30pm

Wednesday 12.30pm – 4.30pm

Friday 12.30pm – 4.30pm

The Uniform Shop can be contacted directly on 03 61651539 or via email at dominic.uniforms@permapleat.com.au

Canteen Reminder

Dominic College maintains Canteen facilities for students P-10 through Flexischools. Registration and all lunch orders are made through their online ordering system on their website. A reminder for existing parents/guardians to update your child's details, especially their new year level and class number, via their website: <https://www.flexischools.com.au>

Public Holiday reminder

A reminder that this Monday 14 February is the Regatta Day Public Holiday. Students and staff will not be required to attend school. We look forward to welcoming everyone back for Week 2 on Tuesday.

Student Leaders Report

Welcome back everyone to the 2022 school year! We hope you all had a great Christmas and

enjoyed your holidays. We are excited to see the school buzzing with activity again! We have high hopes for you and believe that together we can make this year full of fun learning experiences. We encourage you to challenge yourself and each other, give your all in everything you do and step outside your comfort zone.

Settling into your school routines takes some time, but we are very proud of how students have applied themselves this week. The Years 9 and 10 students have done a great job in creating a welcoming space and helping connect our community.

The Years 7 and 8 students have helped each other out as the Year 7s adjust to the high school environment. We would like to applaud you all on your efforts these past few days! We hope you continue this energy as we move further into the year. We'd love to see you all participate in activities in all areas of the school, whether that be Academia, Creative Arts, Mission or Sport. Set yourself goals and work hard to achieve them, and remember we are here to support you!

Returning to school this year has been different due to the return of COVID in Tasmania and an increase in COVID

protocols. Students now have to wear masks when indoors and sanitise their hands regularly. We would like to congratulate you on how well you have handled this so far and we hope that this can continue for as long as these mandates are in place.

As mentioned last year, this year our theme is 'Connecting Our Community.' We would like you to connect with each other, whether that be your classmates, other students, staff members or other members of our community. We want to make our great community even better. As St Don Bosco once said 'If we are one in heart we can do ten times as much.'

So our challenge for you this week is to talk to someone new. Give them a friendly smile and say 'hello', you never know, that small action could make their whole day.

To our fellow students, please know that you have our utmost support this year. If you have any questions or simply just need someone to listen, we are both more than happy to help you out. Please never hesitate to come up to us, or send us an email.

We can't wait to get this year into full swing! We have many exciting things planned for you and we cannot wait to see what 2022 has in store for us all.

URStrong – Our Friendship Focus

Friendships that last a lifetime! That's what we want our students to make here at Dominic College. To support our students, we use the URStrong Program as a part of our EMPOWER Program. The URStrong Program supports children to establish and maintain healthy relationships, manage conflict with kindness and increase their overall resilience. There is common language that is utilised in the Program, and you may hear your child use these words at home. Children are explicitly taught the skills of friendship, and these are based on the four rules of friendship. This quick glossary will help you understand the language your child may be using.

- **Friendship Fire:** Any situation between you and a friend that results in negative feelings.
- **Mean-on-Purpose:** When someone is intentionally unkind to someone else.
- **Quick Comeback:** A very short word or phrase that is used when someone is Mean-on-Purpose. Quick Comebacks are designed to let the other person know that you heard/saw what they did and you're not okay with it.
- **Friend-o-Meter:** A visual tool that assesses the health of friendships, ranging from the healthy zone to the unhealthy zone.
- **Friendship Ninja:** A Friendship Ninja is someone who surrounds themselves with friends in the healthy zone of the Friend-o-meter. A Friendship Ninja is kind and friendly to everyone.

We look forward to sharing our URStrong work with you throughout the year, and we encourage you to use this common language with your children at home. Check out the URStrong page online, and it's currently free for parents to sign up to the program so you can learn all about it too! www.urstrong.com/parents

Pastoral Care News K-6 and 7-10

A very warm welcome back to all of our students and families for what is sure to be an exciting year ahead. The first day of term saw our new Year 7 students taking part in the Belling-In Ceremony, in which our new students were welcomed into the Valdocco Precinct by a Guard of Honour, formed by the 7-10 community, as our College Captains and Vice Captains led them up the hill whilst ringing Dominic College's historic bells. Our Year 7 students met their Morning Pastoral Group teachers, their House Coordinators, and the other students in their Homerooms, before being taken on tours around the school and taking part in some laptop induction lessons. It has been great to witness our new Year 7 students being welcomed into Dominic College with such enthusiasm and warmth from our 8-10 students.

It has also been wonderful to see all of our students starting the school year in their full College uniforms. 2022 will be the final year in which we see our students transitioning to the new College uniform, and it is vital that students and their families continue to support the College's uniform standards. A reminder that it is an expectation of the College that students are in their full College uniform as they travel to and from school. Teachers and House Coordinators will be ensuring that students are wearing the appropriate outer garments, including blazers (formal uniform), rugby jumpers (old PE uniform) and soft-shell jackets (new PE uniform), as they enter and leave the school grounds each day. For clarification on any of the school's uniform expectations, please see the [Student Code of Personal Appearance](#) on the Dominic College website.

Transition Tips during COVID-19

In the transition back to school after the summer school holidays with the impact of COVID-19, students are facing some additional challenges returning to school. The summer holidays may have looked different for families and coming back to school with COVID-19 safe practices, students are dealing with a lot of change and uncertainty.

Here are some suggestions from Seasons for Growth® (mackillopinstitute.org.au) to ease back into this new school year gently.

Routine

Start shifting back into a routine, set wake-times, turn off devices an hour before sleep, re-establish breakfast, morning snack and lunch patterns, read books and practice wearing a mask for longer periods (if required).

Prepare

Talk about any pandemic protection measures that will be in place at school so your child knows what to expect. It may be helpful to practice or role-play some of these, such as mask wearing, greeting friends, washing hands or drop-off procedures.

Listen and reassure

Give your child opportunities to share any worries and listen carefully to their concerns. Reassure them it is okay to feel nervous and/or worried, but try not to share any of your own anxieties. Encourage positivity by reminding your child about the aspects of the school term they enjoy, such as seeing or making new friends, playing sport or beginning a new activity.

Model trust, both in the school's protection measures and in your child's ability to handle things.

Choices

Giving kids choices can help them feel they have some control. Ask if there is anything that would help them (such as meeting a friend or taking a special item in their bag). Get children involved in choosing a healthy breakfast, sharing ideas for what to eat at recess and lunch, helping pack their bags, preparing any extra masks or other pandemic-related items.

Time

Give yourselves extra time in the morning to get ready and get to school. Perhaps play some music you all enjoy at home or in the car. Take a few deep breaths together before your child leaves the house/before they go through the school gate.

Reconnect

Reconnect over an after school snack or by playing a game together. Acknowledge that some children don't talk much about their school day, but do provide opportunities for them to share any issues. Try asking if they would like to do anything differently for school tomorrow. If necessary, problem-solve the night before so they can sleep easy.

If your child is needing additional support with the transition back to the new school year, please speak to your child's classroom teacher.

Dominic College Counsellor

PARKING SAFELY AT DROP OFF AND PICK UP TIMES

With our new pulana Precinct now accommodating over 250 students and 15 staff there has been a significant increase in the number of cars using the driveway and carparks. To keep everybody safe and keep traffic congestion to a minimum we ask that drivers use the area as it was designed to be used.

- *Pick up and drop off zone has been designed specifically for parents that wish to let their children out of a morning and walk into class by themselves, or walk out of an afternoon before hopping in the car – This is not a parking zone where cars can be left unattended.*
- *Please fill the spaces from the Tolosa Street end of pick up zone and work back. If a car moves out, continue to move forward – This will allow the cars behind to easily find a space as they enter the pick up and drop off zone.*
- *The staff only park has been put in place to free up as many spaces in the parking aisles as possible. Please use these parking aisles if you wish to leave your car – do not park in the staff car park.*

Dominic staff will be in the area over the coming days to assist families with this.

Thank you - Mr Cameron Berry Compliance & Resource Manager

Faith, Mission and Religious Education

Greetings all.

Welcome to the 2022 school year, hopefully an exciting and great year of growth and learning for all our students.

Over the summer holidays we had the sad occasion of the death, as a result of cancer, of Father Peter Rankin who had been my predecessor as the Rector of the Salesian community and Dominic College (2016 – 2020). I had the privilege of knowing Fr Peter as a friend for almost fifty years and was able to visit him a few days before his death. He shared his great love of his time here at Glenorchy ministering in both the College and the Parish. One of his lasting legacies will be the revival of the Rua Hub (Rat Hole) as a place of play and welcome.

We thank you Fr Peter for your wonderful 'Salesian' presence in our Dominic community.

As we begin our year we also welcome two other Salesians into our Dominic community. Fr Abilio (Bill) Guterres will be with us in an ongoing role within the College, he had spent some months here a few years ago over the summer period. Br Lidio Marques is also visiting for a few weeks until he returns to Melbourne for his university studies. Both of these Salesians are originally from Timor-Leste and are most welcome in our community.

Our Salesian Strenna (Motto) for 2022 is a quote from St Francis de Sales whose 400th anniversary of death we remember later this year 'Do all through love, nothing through constraint'. St Francis de Sales, is well known as the 'Saint of the heart' In this motto we are all invited to ensure that all that we do is done with a spirit of love, of reaching out to others, to reflect goodness and respect and not be constrained or limited in any way.

Wishing everyone a great year.

Fr Bernie Graham SDB - College Rector

A Prayer for Our Students

*Lord, Our God,
In Your wisdom and love
You surround us with the
mysteries of the universe.
Send Your Spirit upon our
students and fill them with
Your wisdom and blessings.
Grant that they may devote
themselves to their studies
and draw ever closer to You,
the source of all knowledge.
We ask this through
Christ our Lord.
Amen.*

Learning at the College

Learning Begins from Day 1

Last Thursday, we joyfully welcomed our students from Prep to 10 back to their classrooms. The Kinders from tuminana 1 joined us on

Monday, tuminana 2 on Tuesday, and tuminana 3 on Wednesday.

Since then the learning has been wide and varied. Students have engaged in activities to find out about their new routines and get to know their classmates, they have also begun to delve into new curriculum areas.

Here is a snippet of some of the highlights so far from across K – 10.

***'I've learned how to do better stuff in class, and how to get to my classes.'* - Holly - Year 7**

***'I was nervous at first, but it was interesting to learn new things like how to use SEQTA. I also enjoyed seeing my friends for the first time this year.'* - Kathryn - Year 5**

'Coming back to school with masks is difficult, but I know this year is going to be awesome.'

-Josie - Year 6

***'I have enjoyed playing around with my friends at lunch, learning new things and having different teachers for every class.'* - Ethan - Year 7**

'We're enjoying seeing friends again and having more opportunities and responsibilities.'

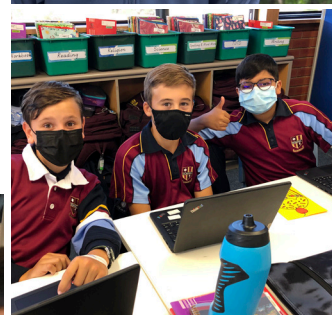

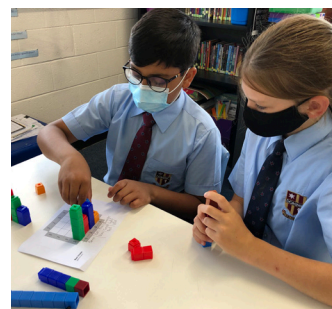

Elsie and John - Year 3

***'I've learned that high school is not as hard as everyone says it is.'* - Addison - Year 7**

***'So, I can do anything I like in this room?'* - Luca - tuminana 2**

8.30am tuminana 2 - 'Is it lunchtime yet?'

A SCHOOL THAT PREPARES FOR LIFE

Australia's Engagement with Asia

Engagement with Asia

The Dominic College Japanese Program is one of the explicit ways that we provide opportunities for students to engage with the peoples of Asia to support effective regional

and global citizenship.

Japanese Program

Our Japanese Program has grown again this year and encompasses 740 students spread across 32 classes from Kindergarten to Year 10.

Teaching Staff

Students are taught by one of three teachers of Japanese: Yasmine Shabaneh, Kate Saliba, and Belinda Kumashiro.

All teachers have a variety of experiences studying Japanese language and living in Japan.

We are also fortunate to be supported once again by the Japan Foundation, who has chosen Dominic College as a base school for Tasmania's new Japanese Language Assistant, Riisa Yukihiro this term.

Teaching Spaces

With so many classes and teachers, new language teaching spaces have been a requirement this year. In addition to our original beautiful Takayama Languages Room (named after Christian samurai, Blessed Ukon Takayama) in the Savio Centre, we also have a new space in the pulana Precinct, the timita Languages Room. Guzman 3 has also been transformed into an inspiring place to learn about Japanese language and culture for some Year 7 classes.

The Japanese teaching team is very excited to share their passion for Japanese language and culture with the students of Dominic College, and wishes everyone a very happy and healthy 2022, Year of the Tiger.

Sport K-10

Welcome to Dominic Sport in 2022

We have a busy and exciting Term 1 and year ahead of us in Dominic College Sport. We have several rosters kicking off in the next few weeks, in addition to a number of Swimming Carnivals. We have some amazing new sporting uniforms available for purchase in the Uniform Shop including bathers, Soccer tops, Basketball tops, Netball dresses, AFL & Soccer socks, and more. We are asking that students wear these new uniforms when participating in the relevant Sporting Rosters/competitions. Correspondence will be sent out once teams are finalised, outlining specific gear requirements for your child's nominated Sports.

Below is the list of Carnivals and events this Term:

K-6 Sport

Term 1 Carnivals

- 3-6 House Swimming Carnival 3 March (Week 4)
- 3-6 JSSATIS Independent Swimming Carnival 17 March (Week 6)
- 3-6 STCPSSA Catholic Swimming Carnival 25 March (Week 7)

7-10 Sport

Term 1 Carnivals

- 7-10 Southern SATIS Representative Swimming Carnival: Tuesday 1 March (Week 4)
- 7-10 State SATIS Representative Swimming Carnival: Tuesday 22 March (Week 7)
- 7-10 House Athletics Carnival: Wednesday 6 April (Week 9)

7-10 House Sport Captains

As you may be aware our 2022 Year 10 House Sport Captains are:

Bosco – Caitlin Turner

Siena – Ella Maw

Savio – John Bracken

Guzman – Brianna Gadd

These four students will become familiar faces at Carnivals and at various Sports around the College this year. They can be a port of call for 7-10 students who have questions or who want to find out more about our Carnivals and the Sports on offer at Dominic. We wish these captains all the best!

Signing up to Term 1 Sports

Sign-ups for Term 1 Sports have now closed, however if you have missed out, please email (sport@dominic.tas.edu.au) with your request and we will hopefully be able to accommodate your child. Teams will be finalised in the coming days, with rosters for many Sports being released next week.

Coaches, Umpires and Assistants

We are seeking parent Coaches and Umpires for each of our K-6 and 7-10 Sports. If there are any parents/guardians who are able assist with our Sporting Program, please email sport@dominic.tas.edu.au to register your interest. Unfortunately, at this stage we are unable to have parents/guardians assist with our Swimming Carnivals due to reduced venue capacities for these events.

Old Scholars Report

DOSA Christmas Eve Carols and Mass

On Christmas Eve each year, Old Scholars and friends of Dominic College celebrate with Carols and Mass in the Dominic College Chapel, in memory of Br Peter Dezani SDB. The ceremony saw a good congregation of Old Scholar families, current families, together with some new and old faces.

The event was managed by Mr Tony Webb and Ms Diane Cerritelli. The pair have been the driving force for this traditional occasion for many, many years and their support is much appreciated. The music and singing was wonderfully led by members of the St John's Parish Choir, thanks to the

ongoing support from Mrs Anne Loring.

Thank you also to the readers, and special thanks to Fr Bernie Graham SDB who was celebrating his second Christmas Eve Mass of the day, having returned from his duties at Triabunna with minutes to spare. Fr Bernie highlighted that this occasion was the final formal College occasion for retiring Principal, Beth Gilligan.

Fr Bernie also drew our attention to the new Memorial Wall in the Chapel which was blessed in November, which commemorates 17 of the students and staff who passed away while they were studying or teaching at Dominic College.

The collection was taken up for the Br Peter Dezani Scholarship Fund. DOSA Committee chair, Ms Leesa Baker, said she was very pleased with the support for the event, especially given the mask requirements. A generous supper was available afterwards and a number of welcome Old Scholars, including visitors from Western Australia and Queensland, enjoyed the DOSA hospitality.
