

SALUTING YEAR 10, 2021

**Dear Friends,
Congratulations and Appreciation to our Leaving Class of 2021**

'Be who God meant you to be and you will set the world on fire.' **St Catherine of Siena**

This week, through our College Newsletter, we take the opportunity to salute our Year 10 students as they end their journey with us here at Dominic College. It is with genuine affection that we now send each of these young people on to the next phase of their educational pathway.

Year 10 finished their exams last week and this week have been involved in a range of activities reflecting on their educational journey at the College. Today in House gatherings and at our final Year 7-10 assembly, we have recognised our Year 10 student achievements, celebrated their growth and farewelled them fondly with great hope for their future endeavours.

We will always remember the Class of 2021 – their amazing House spirit, their community leadership in raising extraordinary funds for cancer research and supporting those living with cancer, their championship of young people maintaining good mental health, and their commitment to being a force for good in the lives of others.

A Class of Service to Community

I would like to especially acknowledge our outstanding College Captains, Rachael Glidden and Justin Goodrick, and Vice Captains, Zoelle Lin and Solomon Kidane. They have led by example of service to the College and have been dedicated and committed in all they have done with and for the College community.

The Class of 2021, through their excellent leaders have presented a most wonderful departing gift to the College. Their gift comprises four new cheeky House mascot suits to be used at all of our House events, especially our Sports events.

The new cheeky House Mascot suits gifted by the Class of 2021 students will replace the old tired suits, and will be a much-loved focus at future Sports Carnivals.

The new House mascot suits will be used and enjoyed by all students K-10. They will be a particularly great focus at our Sports Carnivals next year. This gift reflects not only their generosity but their great love of our House Spirit. Without doubt we will remember fondly the class of 2021 and their contribution to the continuation of Dominic House Spirit.

We also greatly appreciate the College Colours Honour Board that highlights those students who join the ranks of honorees in attaining their College Colour for achievement in the areas of Mission, Academic, Creative Arts, and Sport.

The new College Colours Honour Board

This year we had a record number of Year 10 students achieve College Colour status. We are grateful to the Class of 2021 in providing an Honour Board to recognise recipients of the College Colours.

Blessings and Prayers for our Year 10

As the Class of 2021 leave our community, we wish these much-loved young people every happiness in their future. We pray that they will always be a witness to our Christian values and feel God's loving and abiding presence in their lives; they go with our blessings and our prayers.

Ms Beth Gilligan - Dominic College Principal

A COMMUNITY OF FRIENDS

Dear Families,

Today our Year 10 students officially became Old Scholars completing their time at Dominic as learners and friends. Whilst there is a sense of excitement and joy at finishing up, there has also been a great deal of sadness as our Year 10s part ways and start a new journey in 2022.

As a school in the Salesian tradition, we are called to make Dominic College a community where everyone feels like they belong and we use the guidance of the Charter for Salesian Schools of Australia to help us be: a **HOME** that welcomes, a **PARISH** that evangelises, a **SCHOOL** that prepares for life and a **PLAYGROUND** where friends meet and enjoy themselves.

To achieve this aim, everyone in the community must take ownership of this Charter and our Year 10s have most definitely risen to the challenge during their time with us. During 2021, Year 10 have contributed to Dominic College being a

HOME that welcomes through the wonderful relationships and bonds that they formed with each other, their younger peers and teachers based on genuine care and affection. They have helped the College be a **PARISH** that evangelises through their involvement in Mission activities, whole College and class Mass celebrations, Feast Days, Retreat Programs and sacramental encounters.

This week they celebrated their Graduation, here onsite, with a final Mass with their teachers, family and friends - the final and most significant event during their time at Dominic. Our Year 10s have exhibited that Dominic is a **SCHOOL** that prepares for

life by actively taking part in learning each day and involving themselves in a wide range of co-curricular activities to help prepare them for the challenges that life throws at them.

Just last week, Year 10 sat their final exams and did this with a high level of preparation and maturity. During their time at Dominic, they have embraced a range of learning opportunities to gain knowledge and future skills that will prepare them for the road ahead for lifelong learning. And finally, students have been part of a **PLAYGROUND** where friends meet and enjoy themselves, shown through various celebrations and festivities this year such as the Relay for Life, Year 10 Retreat, and the Colour Run, to name a few.

On Wednesday, the Year 6-10 Awards Ceremony concluded with a presentation of awards to Year 10 students for their academic achievement, community service, leadership, sporting commitment, and involvement in the Creative Arts.

Today, in our Year 10 Final Assembly, we conducted our Year 10 Belling-Out Ceremony, which is a new tradition to farewell our Year 10s as they transition to their next pathway to conclude their senior secondary education in Year 11 and 12. Our historic bells were rung to signal the conclusion of their journey at Dominic College and students walked through a guard of honour toward Tolosa Street to commence their new pathway.

We congratulate the Year 10 Class of 2021 on officially becoming Old Scholars and thank each of them for their generosity, friendship, and positive spirit over the years.

May God bless each of them and guide them in their lives and may each of them remember that they will always be part of the Dominic family.

Mr Stephen Casni - Dominic College Deputy Principal

A FAITHFUL COMMUNITY

Greetings all,

This week we honour and congratulate the Year 10 class of 2021 as they graduate and conclude their education at Dominic College. For some it has been a long journey of twelve years since Kindergarten in 2010, and others have joined the group along the way.

Each one of you is a unique person and has brought your own personality, gifts and talents to school each day to share with others, to learn from others, and to contribute to our Dominic College community. For this we thank you.

I hope that you can look back on your time at Dominic and recall the friendships you have made, the experiences you have had, the teachers who have helped you learn, the opportunities that have been given to you, and the programs that have helped to shape you. Be grateful for all these people and the learnings you have received as they will shape your future – wherever and whatever that may be.

Be thankful to your parents/guardians and families who have supported you through these years.

Know too that you are all special people blessed by God, in whose image you are made, and that our College patrons St John Bosco, St Dominic Guzman, St Catherine of Siena and St Dominic Savio continue to pray for you, as they have inspired you through these years.

I wish you well as you embark on the next phase of your life's journey.

God Bless.

Fr Bernie Graham SDB
Rector of Dominic College

It has been a true honour to represent Dominic as the College Captains this past year. It has been a journey for which we are both so thankful to have been a part of.

The past year has been one which has entailed true growth and progression for the College. Through the months that have passed, a greater sense of community has developed, we have become more aware of our stance in the fight to save our environment, greater connections have been made with the Aboriginal people within our community, collectively our knowledge on mental health has strengthened, and through the many experiences and opportunities that this year has granted, many friendships have been made, strengthened, and have become closer. As we look back on the past year, we are so thankful to have had the opportunity to leave a mark on the College and to help to ensure this growth and progression of the College took place.

In March, we collectively participated in Relay for Life as a College for the third time. Through hard work, determination, and the support of our community, we were able to raise over \$50,000 to go to the Cancer Council, and to help those who are in need of our support. Throughout the first term of the school year, we held fundraisers, such as Free Dress Day and Pizza Day. We raised tremendous amounts of money and this is all because of the commitment and compassion from the students, staff members, and family within our community.

Our team raised the most money in the State, which is something that every single person involved should be proud of. The Relay itself was a very special night and we would like to thank everyone who made it so memorable. When leading this event, we as a Leadership Team realised that in order to truly rally community support, we had to be completely truthful as to why we wanted to fundraise for this cause. And the truth was and stands to be that too many people, both within and outside of our community, have been affected by cancer in one way or another. The cause empowers a motive that lies within all of us, and through fundraising and supporting, every individual no matter how big or small their donation or contribution, could leave the event saying 'I was able to help'. This is something that we felt was so important, because when cancer affects us, however it does, we often feel helpless. We hope that through our actions, we could provide hope.

For the fourth consecutive year, we had a focus on the mental health and wellbeing of students. We understand and recognise that this is an issue that continues to affect so many

of our peers everyday. With the support of the Student Leadership Team and teachers, we dedicated a week to mental health and wellbeing in the hopes that students could relax and take time to both prioritise their mental health as well as to understand that the College community is there to support them. This year, we were lucky enough to be visited by world-renowned sleep specialist, Professor Sarah Blunden. Alongside Professor Blunden's sessions and year-level activities, students had the chance to break their usual school routine.

Whether it is Mental Health Week or not, we hope that all students always remember that they are supported at the College. That they know there are those around them that truly care and support them, whether that be friends, family members, teachers or others within the community. Through Relay for Life, Mental Health Week and other events that have occurred throughout the year, we are beyond proud of what all students, staff members and members of our community have achieved. Through hard-work, support of each other and community spirit, you have all made a difference in the lives of another, no matter how small, and this is something that you should always pride yourself on. We are extremely proud and thankful for each and every one of you. However, we couldn't have achieved any of this without the support and guidance of many, many people. We will be forever thankful for their help.

To begin, the College Vice-Captains, Zoelle Lin and Solomon Kidane, we honestly could not have asked for two better Vice-Captains, support systems, and friends. We appreciate everything that they have done, as they have truly done so much. Zoelle and Solomon have been a driving force in the success of this year from a student leadership standpoint. Having the opportunity to grow as learners, leaders, and friends has been something we are forever grateful for, and we are both excited to see their future accomplishments as this continues.

To all of our wonderful House Captains and SRC members, all of you have truly left your mark on the College this year. We are so thankful for your support, drive, and determination on the many initiatives that have taken place over the past year, which could not have occurred without your help and assistance. You have truly made this leadership team feel like a second family and we know you all will go on to achieve great things.

To all of our teachers and staff that have devoted so much time and energy into making sure that we all feel important and valued: thank you. The work that you do for each and everyone of us never goes unnoticed. We don't say it enough, but we are so grateful for everything you do for us all. This past year, you have all supported us both so much, and this

YEAR 10 LEADERSHIP

year would not have been anywhere near as successful if it weren't for your constant encouragement and support.

To our peers, the students of Dominic College, thank you for entrusting us to lead you all this past year. It has been the greatest honour, one that will forever be cherished in our hearts. We are truly so proud of everything that you have accomplished this past year. You have all worked so hard and got behind such great causes. You are all such caring and amazing young people. We will continue to support you if you ever need anything. We will always be happy to have a chat so please feel free to send us a message and get in touch!

To Ms Flanagan and Mrs James, we are truly thankful for all of your support and guidance throughout the past year. Throughout our leadership journey, we have both learned so much and achieved so much due to lessons you have instilled in us as young leaders. These are lessons we know will help guide us throughout the rest of our education and leadership journeys. Thanks to both of you, we have the courage and confidence to take on so many more opportunities. Thank you for your knowledge, your time and your advice, we will always be appreciative of having you both play a role in our lives.

To Mr Casni, we can never truly express our gratitude for all the support, care, wisdom, and guidance you have given us this year. You are truly someone we look up to, someone who carries qualities and virtues that we aspire to emulate, someone who we are blessed to have had the privilege of knowing, working with, and having as a mentor. A mentor that has provided us with not only knowledge, but wisdom that will carry us through life, lessons that will pick us up in our times of hardship, and memories to cherish. We wish you every success, joy and happiness in the future as you begin your new journey as Principal of the College. We know you will bring happiness and success to both current and future students.

To Ms Gilligan, where to begin? For thirteen years, you have shaped the community into what it is today. One of kindness, love, growth, inclusion, progression and prosperity. You have dedicated yourself to ensuring that young people are able to attend Dominic College and get the best start to life possible. You are someone who truly values and deeply cares about each individual student. You are someone who upholds the belief that every student can achieve greatness. We can say firsthand, especially through working with you this past year, that this is something that does not go unnoticed. It is instead something that drives students to act, experience and achieve. Ms Gilligan, you are one that always goes the extra mile. Whether that be for a student, staff member, or someone you hardly know, you are the type of person who would simply do anything for anyone and put their needs above your own. This is something that we all truly admire and will forever be in awe of. While we know this tribute could

never give you thirteen years of appreciation, or appreciation for a lifetime of dedication, we hope that it can instead be seen as an honest and genuine thank you. One that is personal from both of us, and one that has a place in the heart of every student, past and present.

We wish the 2022 College Captains and Vice-Captains all the very best. We know that they will do such an amazing job as they lead the College. They are all such determined and compassionate individuals, and we see ourselves in them. We wish them all the best of luck for the year ahead.

It has been a great honour to be your College Captains for 2021. Thank you for the experience, the memories, and the friendships we have made. We will always cherish these memories and hold them close to our hearts.

Justin Goodrick and Rachael Glidden **2021 College Captains**

Year 10 Retreat – Appreciating Who They Are

From the 13-15 October, Year 10 attended the Spring Beach Youth Camp at Orford for a three-day Religious Education Retreat. The aim of the Retreat was for the students to appreciate the extent of their own and the gifts we see in others, and in doing so enhance their self-esteem and quality of relationships.

A highlight of the Retreat was the writing of affirmations for each other, and experiencing being affirmed for who they are, and recognising the positive qualities we all have. The students were very engaged and opened themselves up to the idea of retreating away from the everyday.

Many thanks to the staff that attend Mr Lapolla, Mrs Marcenko, Mr Fulton, Ms Flanagan, Mr Tucker, Miss Crawford, Mr Glidden, Fr Bernie Graham SDB, Br Barry Parker SDB and Mrs King. We were very fortunate to have the Red Cross visit and run a session about social justice and the plight of refugees and asylum seekers across the world. Ms Gilligan and Mr Casni ran the closing of the Retreat with a focus on our personal journey to holiness.

Mrs Alicia McMahon - Director of Faith and Mission K-10

A MOTIVATED COMMUNITY

Joy and Perseverance at the Centre

2021 has been another whirlwind year. Our College Leavers have been a year level that has celebrated every event possible and have made sure that joy and perseverance were at the centre of their time at Dominic College.

Term 1 was defined by the mammoth fundraising efforts of the entire College for Relay For Life. As a community we raised over \$50,000 and this effort was spearheaded by our College Captains, Rachael Glidden and Justin Goodrick, and our College Vice Captains, Zoelle Lin and Solomon Kidane. They were supported in their efforts by House Captains, SRC members, and the entire Year 10 cohort. Their leadership and guidance ensured that there were a plethora of fundraising opportunities and that the entire community felt involved, and that this was our most successful fundraising to date.

The theme for 2021 has been 'Environmental Health'. Year 10 have worked towards this goal and were involved in our Mental Health Week, this year focusing on Sleep, and Consent, and the importance of having a Positive Body Image. In Term 3 we celebrated Mental Health Week and all the year groups had activities to support their Mental Health. Our Year 10s have been a competitive group of students and this has always been obvious in lunch time activities, particularly Staff vs Student games. Whether it be Soccer, Netball or Basketball the Year 10s have enjoyed defeating the teachers and reminding them about it!

During the Year 10 Retreat earlier this term, the students were given the opportunity to write expressions of gratitude to each other. Over three days, students took the time to think about their journey together through high school and reflect on the value they have added to each other's experiences. Students universally wrote about their friendships, the enduring support they have received from one another, the laughs they have shared and the importance of each other in their lives. These were fitting tributes to the year level and the friends they have made throughout their time at Dominic College.

As our final week together comes to a close we look forward to the bright futures these students have before them. Their energy, vivaciousness and sense of humour will be sadly missed. Best wishes to all of our Year 10 students in their future endeavours!

Ms Frances Flanagan - Coordinator of Pastoral Care 7-10

Creative Arts

Highlights of 2021 for our hardworking Year 10 students include the Creative Arts Festival and the Music and Dance Showcase, both of which returned triumphantly after being unable to be presented last year. Our Creative Arts Captains, Jasmine Good, Rani Roy, Lachlan Majchrzak and Hanna Lane MacDonald did a stellar job of growing the profile Creative Arts at the College.

In class, Year 10 Music, students have had the opportunity to explore Australian music and music of other cultures as well as creating their own music. Students have also sharpened their instrumental music and ensemble skills through collaborative projects and jam sessions. Year 10 Visual Arts students produced many exceptional artworks including landscape paintings, ink paintings and collagraphs. They have also turned their hand to clay sculptures. Their artwork has been on exhibition in Fra Angelico for the past two weeks. Year 10 Media Arts students worked on Graphic Design and Photography and this semester, produced Photo Essays and a David Hockney inspired Photo Collage. The body of work for Year 10 Drama includes immersing themselves in the performance techniques of Commedia dell'Arte, the Art of the Monologue and Children's Theatre. The major performance work for the year was an adaptation for the stage of 'Hard Times', by Charles Dickens. Year 10 Dance student's repertoire included 'Over the Rainbow', choreographed by Miss Jenina Evans which was awarded second prize at the Southern Tasmanian Dance Eisteddfod, Small-Group self-devised Choreography and exploring of the work of Bob Fosse.

Mr Mike O'Brien - Director of Creative Arts K-10

Teaching and Learning

Congratulations to all our Year 10 students who have immersed themselves in their learning this year and worked hard to achieve their potential. There were many highlights in 2021 including various competitions, sporting activities and Creative Arts events. By providing an array of activities for students to engage in, we aim to produce well-rounded students who are able to meet academic demands and challenges outside of school life.

Throughout the academic year, students could be found engaging with the Australian Curriculum and extending their knowledge, skills and

understanding across a range of topics and subjects. Our Year 10s navigated their ways through experiments in Science, complex equations in Maths and poetic devices in English. Some students strengthened their Japanese vocabularies, while others created amazing works of Art to share at the Creative Arts Festival. There was never a lack of sports to participate in or interesting electives to meet a range of interests and passions. Our rich and varied co-curricular program ensured students were able to remain active and involved throughout the entire year.

It was wonderful to have an academic challenge built into our June Feast Day celebrations this year. Many thanks to our hard-working 2021 Academic Captains, Amy Bryant, Andrea Escobar, Priyanka Jibi, Alexa Sayer for their many contributions throughout the year.

Year 10 is a pivotal year when it comes to Pathway planning. This year our Year 10 students undertook the Morrisby Assessment Profile as part of their career planning during their EMPOWER classes. This proved helpful in providing students with individual pathways suggestions that met their interests. They were also able to liaise with staff from Guilford Young College as they mapped out their future pathways and prepared to participate in the Head Start Program at GYC as part of their transition next week.

There were a large number of Semester 1 Academic Certificates awarded to students across Years 10 as well as a host of Diamond Awards throughout the year. These were a testament to the hard work and dedication of these students. In August, many students participated in the annual ICAS

competitions gauging their skills against those from other students around Australia and in other countries.

As the academic year approaches a conclusion, we would like to pay tribute to the Class of 2021 as they reach this milestone in their academic journeys. These students ensured they took advantage of the opportunities available to them in spite of some limiting impacts by the global pandemic. They have now reached an end to their regular classroom routines and traditions at Dominic College. However, we send them forth with much pride as they undertake new adventures, new opportunities and new experiences. Class of 2021, as you venture out in your various directions, we remind you that you will always hold a special place in our hearts and you will always belong to our learning community.

Mrs Janet Marcenko - Coordinator of Teaching and Learning 7-10

A SPORTING COMMUNITY

Sport in Year 10

Many of our graduating Year 10 students have demonstrated exceptional commitment to the College's Sporting Program over the past four years; from involvement in House Competitions and Carnivals, SSATIS Rosters, as well as, Southern and

State Carnivals.

After a quiet year last year, 2021 has been jam-packed full of events, activities and opportunities for our Year 10 students. Many of these students have made new friends, learnt new skills and experienced success through participating in various sporting opportunities.

It can certainly be a difficult feat to manage sporting interests and co-curricular commitments in addition to study, employment and social lives. The Health & Physical Education Faculty would like to thank and congratulate all students for their sportsmanship, leadership and commitment, whilst playing, competing, coaching or umpiring their chosen sports this year.

Below you will find a snapshot of our Year 10 cohort at sporting events throughout their time in Year 7-10. It has been a pleasure reminiscing on their achievements and the friendships shared.

We wish each and every one of you all the best in all future sporting endeavors, and we hope you continue pursuing these opportunities and look forward to hearing of your achievements!
