

# DOMINIC COLLEGE NEWSLETTER

3 November 2023

## From the Principal

Dear Families

### **Shizuoka Salesio School Year 6 Visit – Strengthening our Salesian Learning Partnerships Globally**

We had the pleasure this week of welcoming Year 6 students, their teachers and leadership staff from Shizuoka Salesio School as part of our ongoing community partnerships program through Languages. It was wonderful to see the joy and excitement of our visitors as we greeted them at Hobart Airport. During the week, students from Shizuoka Salesio and Dominic had the chance to pray, learn and have fun together through a range of activities coordinated by staff from both schools. Our visitors had the chance to share a meal with a Dominic family in their home which was a highlight of the visit. My thanks to all families who volunteered to accommodate this experience. We wish our friends a safe journey home and look forward to many more opportunities for connection through learning and visits in the future.

## 2023 Asian Festival

This week we celebrated our bi-annual Asian Festival organised by our Languages Department and teaching staff. As part of ACARA curriculum all students must study Languages and have experiences to learn about Asia and Australia's Engagement with Asia across all areas of the curriculum. We are blessed to have a very rich and engaging Languages program at Dominic College and all teaching staff across the College look for authentic opportunities to integrate Asian studies into their teaching and learning programs. Studying Asian languages and cultures in Australian schools is significant for many reasons.

It promotes cross-cultural understanding and global citizenship. Australia's multicultural society benefits from fostering knowledge of the diverse cultures within Asia, promoting tolerance and appreciation of differences. It encourages students to become global citizens who can engage effectively in the culturally rich and complex world.

Furthermore, learning Asian languages and cultures enhances cognitive abilities, including linguistic and problem-solving skills, which are valuable assets for personal and professional development. These skills contribute to academic excellence and future employability.

*As the Yeast in today's human family - 2023 Salesian Strenna*

## From the Principal continued...

Finally, it acknowledges Australia's geographical location and economic ties with Asia. Australia's proximity to Asia, along with its strong trade relations, makes Asian languages, such as Japanese, crucial for economic success and international diplomacy. Proficiency in these languages is an asset for individuals and the nation as a whole.

Congratulations to all students and staff on their outstanding work in preparing for this year's Asian Festival and to our Shizuoka Salesio School visitors for their participation in the event.

## From the Principal continued...

### All Souls' Day Mass

Yesterday we gathered in our Mary Help of Christians Chapel for the All Souls' Day Mass. All Souls' Day is always celebrated on 2 November and is dedicated to praying for the souls of departed friends and family members. As part of our celebration this year, we inducted into our Memorial Wall Year 10 student Ella James, Learning Support Assistant and DOSA President Leesa Baker, and Primary Classroom Teacher Beth Graham, who we sadly lost to illness this year. It was lovely to see so many people gathered to give thanks for the lives of those departed and to pray together as a College community.

*'Eternal rest grant unto them O Lord and may perpetual light shine upon them. May they Rest in Peace. They will forever be in our hearts and memories.'*

### Congratulations to Erin Rowlands (Year 9, Siena 4)

Congratulations to Erin Rowlands who has been selected as one of the Memorial Prize winners for the Frank MacDonald Prize Competition. Erin had the opportunity to travel with her family to Devonport High School to receive her award along with Ms Bonnie Court (Lead Teacher: HaSS). Erin will travel to France, Belgium, and Canberra as part of her study tour/prize in 2024. Well done to Erin on this amazing achievement and I encourage other students to get involved in this and many other exciting competitions in the future.

**Mr Steve Casni - Dominic College Principal**

## 2024 FEE INFORMATION

During the October school holidays, families were sent important information regarding the 2024 School Fees.

If you did not receive a copy of this information, please email [fees@dominic.tas.edu.au](mailto:fees@dominic.tas.edu.au) to request a copy.

## Deputy Principals

Dear Families

It has been a busy but exciting time with the College having the wonderful opportunity to celebrate our Asian Festival with the extra special Year 6 Shizuoka Salesio student visits.

Over the past fortnight we conducted our Year 7 2024 House Orientation Evening and our Kinder Information Evening. It is always so energising to welcome new students and families to the Dominic community.

Yesterday's All Soul's Day Mass was a meaningful opportunity to come together as a community and bless the plaques that have been placed on our Memorial Wall in the Mary Help of Christians Chapel for our dear Ella James, Leesa Baker and Beth Graham. We continue to be blessed by our strong Salesian presence and Catholic traditions as we navigate our year.

### 3-6 Athletics Carnival

Congratulations to Guzman house on winning the 3-6 Athletics Carnival on Monday. We had an excellent day, with some spectacular performances and high participation. Thank you to our staff and families for their involvement and assistance on the day, and for the weather being kind to us.

### Year 10 Formal End of Year Exam Notification

All Year 10 students will be sitting formal End of Year Exams from Monday 20- Friday 24 November. It is the College's expectation that all students sit these exams on the given days. If a student is unwell on exam day, families must contact the College prior to 8.35am. Students must return to school with a Doctor's Certificate or a Statutory Declaration if they are absent from an exam due to illness. Students should present these documents to Ms Eddington on the morning they return and be ready to sit all exams missed while away.

### Graduation Mass

The Year 10 Graduation Mass will be held onsite in the Savio Centre on Thursday 30 November commencing at 6pm. Year 10 students are reminded that this is a compulsory event, full Formal Uniform is required to be worn for this occasion. Light refreshments will be offered afterwards for students and families. Year 10 students should arrive by 5.30pm on the day.

### Parliamentary Prayer Breakfast

This week the College was represented at the Tasmanian Parliamentary Prayer Breakfast. This occasion brings together like-minded groups and organisations across Tasmania to pray for our State, and particularly our parliamentarians and the community they represent. John Kamara was the guest speaker for the occasion and his important message was inspirational. Our College Captains, Priyannika and Jackson, presented the prayer for leadership. It was wonderful to be part of a gathering with our student leaders where it is recognised by so many, that God is our source of strength and wisdom.

**Mrs Alicia McMahon - Deputy Principal: Primary and Mrs Jan Marcenko - Deputy Principal: Secondary**

## Student Leaders' Report

From 18 to 20 October, the Year 10 cohort attended their annual Retreat. This event is the final 'camp'

event that we have together as a group.

One of the first activities we did was making affirmation boxes. We had to assemble and decorate these boxes and then lay them out on a big table in morning Oratory Groups. In these boxes, peers and teachers had the chance to write us positive 'affirmations' over the three days we were there. Some people got to work writing them that day and didn't stop until the very last minute on the last day, trying to ensure that every single person got one!

On the third day, after a beautiful prayer and reflection outside, we were given the chance to read all of these affirmations. Reading the affirmations was a very emotional time, and there were many tears shed. These affirmation boxes will be something that we all can cherish and read whenever we need a reminder that we matter or that we are important and special to a lot of people.

The Year 10 Retreat was a wonderful experience that many of us will hold close to our hearts for a very long time.

As we are coming close to the end of the year, it is important that all students make sure to keep our standards high and continue to follow the College expectations. Not only this but we also need to make sure we continue to respect our teachers, staff and other students at the College. While doing this, make sure you give the last few weeks of the term the best that you can. By making sure that we are giving back to the community, we can all make a lasting impact, and close off the year on a high note.

**Jett Benson and Lilymay Ward - College Vice Captains**

# DOMINIC COLLEGE

# FAIR

**FRIDAY 17 NOVEMBER  
3.30-6.30PM**

**A HOME THAT WELCOMES**

## Year 1

Year 1 is an exciting and transformative time for our young learners as they dive into a world of hands-on learning and creative exploration. We're thrilled to share the vibrant experiences our students are enjoying.

We have been actively engaged in hands-on Science experiments, crafting our own push and pull force toys, exploring the wonders of natural habitats, and discovering the concepts of capacity and length. Our students have also been making puppets to share stories, igniting their imagination and communication skills. Some of Year 1 had the unique opportunity to visit Animal Husbandry to get up close to the animals and learn about their care.

In the realm of art, our young artists have been expressing their feelings through a kaleidoscope of colours, enhancing their understanding and articulation of emotions. Mathematics has transformed into an interactive adventure, with children using colourful beads for counting and shaping their understanding of geometry through art.

This focus on hands-on learning and creativity ensures that every day is an adventure in learning. These experiences are nurturing the inquisitive minds of our students, laying the groundwork for a lifelong love of exploration and knowledge.

***Ms Carly Hodgkinson, Ms Amanda Brown and Ms Bridget Taylor - Year 1 Teachers***

## Year 4

We are thrilled to share with you the exciting journey our Year 4 students have embarked upon during the first few weeks of Term 4. It has been a time of discovery, creativity, and exploration, where students have delved into a diverse range of subjects and activities.

In our Mathematics lessons, Year 4 students have been immersing themselves in the world of time-telling. The intricacies of the clock have been unravelled as they learned to read and interpret analogue and digital time. Puzzles, challenges, and real-world applications have all been part of this exciting journey, giving them a newfound appreciation for the precision of timekeeping.

The art of persuasion has been a significant focus in our English classes. Our budding writers have composed persuasive pieces addressing various topics close to their hearts. From advocating for healthier school lunches to arguing for extended break times, the students have embraced the power of persuasive language, building their confidence in expressing their thoughts and ideas effectively.

Year 4 has embarked on a fascinating exploration of Dreaming Stories. Through elements of drama, students have brought these magnificent stories to life. Absorbing the timeless morals and lessons embedded in *'The Rainbow Serpent'* by Dick Roughsey, *'How the Birds got their Colours'* by Mary Albert, and *'The Echidna and the Shade Tree'* by Mona Green and Pamela Lofts.

In addition to Dreaming Stories, poetry has also woven its enchanting spell in our literacy lessons. Students have delved into the nuances of language, exploring the evocative and rhythmic world of poems. They have come to understand the various language features associated with poetry and grasped the purpose of these enchanting verses in literature.

In the realm of Science, Year 4 students have been exploring the intricacies of ecosystems. They have uncovered the roles of producers, consumers, and decomposers, developing a deep understanding of how every organism contributes to the balance of nature. Sustainability has been an underlying theme, instilling in our students a sense of responsibility and the knowledge of how to make positive, environmentally conscious choices.

While the academic journey has been enthralling, Year 4 students have also had their fair share of fun and excitement. The 3-6 Athletics Carnival saw them showcasing their sportsmanship and athleticism, while the Asian Festival allowed them to experience the rich cultural diversity our world offers. These events have strengthened their sense of community and fostered bonds that will last a lifetime. The first few weeks of term four have certainly been a time of discovery, creativity, and growth for our Year 4 students. We look forward to witnessing their continued progress and the remarkable achievements that lie ahead

**Miss Holly Cardamatis, Miss Madelyn Carver and Miss Jenna Sheppard - Year 4 Teachers**

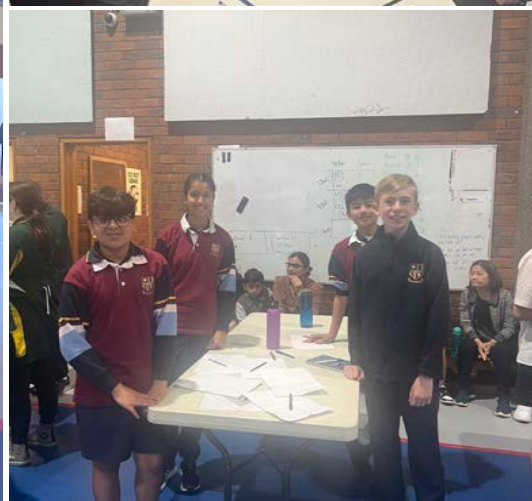

## Mathematics

Towards the end of last term, on Sunday 24 September, Dominic College entered four teams, two in Junior Secondary Division (7/8) and two in Senior Secondary Division (9/10) in the Maths Relay. This event was run by the Mathematical Association of Tasmania at Rosny College, which had schools attending from across Southern Tasmania. Priyannika Kumrai, Sanjo Pakkathu Soviachen, Sophie Kremmer, Annabel Rime, Michael King, Lilly Ryton-Benson, Henry Nguyen, Brooke Ackerley in the Senior Secondary Division. We had Theresa Stansfeld, Sydney Excell, Nicholas Hay, Tanishka Kumrai, Xavier Morrison, Kane Tran and Jhaji Jhujaar in the Junior Secondary Division.

The relay was designed to test rapid-paced problem solving, based around Math principles. Each team consisted of four people, and unlike a normal Maths competition, where you just write the answer, the relay component added another dimension, where one team member would run back and forth from an examiner with questions whilst the others attempted to find the solution. This would rotate so everyone had a go running and answering. Teams were given twenty questions and 45 minutes to obtain as many points as they could, with the number of marks and complexity progressively increasing. Students were able to complete almost all the questions and overall, it was an enriching experience and opportunity to see how well they can apply all this school knowledge on their feet!

Students really enjoyed working as a team and although they did not get every question right, they did try their best and had fun while solving the problems.

### ***Ms Sunita Kumrai - Lead Teacher: Mathematics***

## The Arts

This year, Dominic College students have been awarded fifteen different prizes at the Royal Hobart Show. Students with winning artworks are;

**Macy Brown**

**Lilly Casey**

**Maddi Sorman**

**Grace Loveless**

**Bella Davis**

**Brooke Ackerly**

**Elena Nye**

**Hayley Moy**

**Abbie Doran**

**Maddie Fox**

**Samantha Ship**

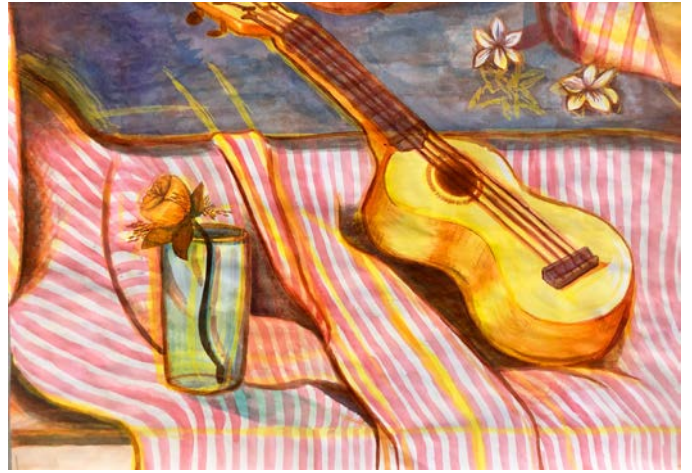

**Cameron Moase**

**Klay Mustchin**

**Elina Korenstra**

Artworks were selected by Art teachers and submitted on their behalf. These are from a variety of different studio areas including Painting, Drawing, Ceramics and Photography. Congratulations to prize-winners and all students whose art was selected.

## The Arts continued...

I would like to emphasise the importance and numerous benefits of taking your children to see Arts events. Whether it's a play, a concert, or an Art Exhibition, exposing your children to The Arts can have a profound impact on their development and overall well-being.

Arts events provide a unique opportunity for children to explore and appreciate different forms of creativity. By exposing them to various art forms, children can develop a sense of curiosity, imagination, and an appreciation for beauty. This exposure can also foster their ability to think critically and express themselves creatively.

Events such as these also offer a platform for children to develop important life skills. Attending performances or exhibitions can improve their listening skills, concentration, and ability to follow instructions. It can enhance their communication skills as they discuss and interpret the artwork or performances with you and their peers.

Furthermore, arts events provide an opportunity for quality family time. Sharing these experiences with your children can strengthen your bond, create lasting memories, and foster open communication. Attending these events with your children is not only enjoyable but also highly beneficial for their personal, social, and academic growth. So, let's make it a priority to expose our children to the wonders of The Arts and watch them flourish.

### Some events you might like to consider attending over the next few months include:

Dominic College music performances at the Fair

Pinocchio at The Royal Botanical Gardens <https://www.bigmonkey.com.au/whats-on/>

TSO family concerts <https://www.tso.com.au/family/#concerts>

TMAG school holiday activities

Carols by Candlelight events

**Mrs Katherine Denholm - Lead Teacher: The Arts**

A SCHOOL THAT PREPARES FOR LIFE

## Sport K-10

Term 4 has started with a bang, with some amazing results in our Sport Program. It's going to be another crazy term, so buckle up and let's finish the year off strongly.

On the weekend of Saturday 21 October – Sunday 22 October Dominic College had four students participate in the Athletics Tasmania All Schools Championship in Launceston. Nikolai Middendorp-Costa (Y9), Shaun White (Y9), Lacey Tilyard (Y9), and Sidney Perrett (Y5) all left the event with outstanding results.

Both Lacey and Nikolai have been selected to represent Tasmania in the Australian All Schools Track and Field Championships in Perth in December 2023. Congratulations to all four students.

Last weekend, Dominic College entered three teams in the Year 5/6 Regional Basketball Primary School Tournament. With the best school spirit seen, these students represented the school with pride, respect, and gratitude.

Our teams (Boys division 1 & 2, and Girls division 1), were undefeated all weekend and all took out the championships.

Congratulations to: Vincent Davey, Angus Berry, Oliver Rolls, Maxwell Golding, Quinn Parkin, Reece Menzie, Xavier Carroll, Fletcher Ward, Judd Fehlberg, Archer Reid, Lachlan McKay, Hudson Muskett, Tyler Woodbridge, Elliott Bush, Ellie Schulze, Ava Millington, Chelsea Horne, Jonevis Kamara, Eve McKellar, Lily Anning, Rubi Triffett and Lily Driver.

This weekend could not have gone ahead without the help of parents and friends who volunteered to coach, manage, and umpire. A big thank you to Adam and Jess Ward, Kara Rolls, Joel Cooper, Drew and Kirsty Schulze, Peyton Rielley, and Liam Castle.

Next weekend (11 and 12 November) we will see the Year 3-4 tournament, and the weekend of 25 and 26 November the Boys Year 9-10 tournament. We wish you all the best.

On Monday, 30 October the Year 3-6 Athletics was held. This was an absolutely amazing day, with some great results.

### Final House Results

**1st Guzman 549 points, 2nd Savio 533 points, 3rd Bosco 523 points, 4th Siena 482 points**

Selected students will participate today in the STCPSSA Carnival, and most will compete again next Thursday at the JSSATIS carnival.

These Carnivals could not go ahead without the support of the entire HPE team, and the year level teachers. Thank you so much.

### Term 4 Reminders

Friday 3 November – 3-6 STCPSSA Athletics carnival – Domain Athletics Centre

Tuesday 9 November – 3-6 JSSATIS Athletics carnival – Domain Athletics Centre

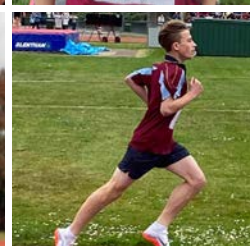

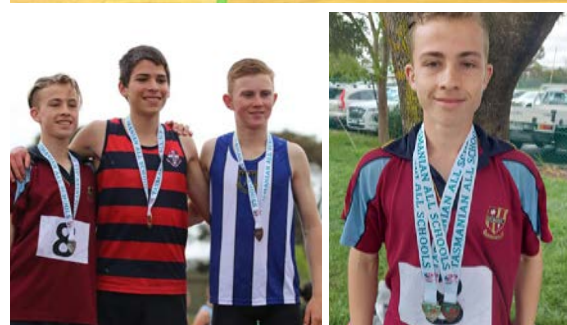

Saturday 11 & Sunday 12 November – Year 3-4 Regional Basketball Tournament

Monday 13 November - Catch up sports photos

Saturday 25 & Sunday 26 November – Year 9-10 Boys Regional Basketball Tournament

K-2 Athletics Carnival - TBC

**Ms Kylee Chivers - Sports Administrator**

## Dominic College Fair

### In two weeks our Community Fair will be up and running!!!

Our Fair Committee has been working overtime this year to bring all students and parents the biggest and best Fair they can. This year's line-up of stalls and entertainment is looking fabulous, and I know that everyone who comes along will have an amazing time.

Entertainment includes a fantastic Photo Booth, Sands Crazy Bikes, Tas Reptillia, Wine Lucky Dip, Animal Displays, Sally Sunshine, Professional Face Painters, Taiko Drums and much more. Stalls include DOSA Plants, Cakes, Christmas Stall, Fairy Floss, Dunking Chair, Friendship Bracelets, Lob a Choc, Show bags, Lucky Ducks and Homemade Jams and Preserves. Our fabulous food on offer includes Hot Chips, Tornado Potatoes, VET Taster Plates, Snow Cones, Rotary Sausage Sizzle, an Ice Cream Van, and Wood-Fired Pizzas.

There is so much to see and do, **so mark Friday 17 November 3.30 - 6.30pm in your diary**, set a reminder on your phone and come along for an exciting afternoon.

Just a reminder that this year's **Fair is a CASH ONLY event**, so please make sure that you bring along plenty of change, so you don't miss out on any stalls and activities.

### You Can WIN \$300 Off Your School Fees!!!

Simply volunteer an hour or two at the Fair for either set up, serving on a stall or clean up and you will be entered into the draw. **One hour volunteered = One entry in the draw.** Please complete the electronic volunteer form as soon as possible by clicking this link, <https://signup.com/go/NMrczMQ> entering your email address and choosing your spot.

If you require any further information, please contact Nicola Rayner on 0437 195 566 or via email [parentsandfriends@dominic.tas.edu.au](mailto:parentsandfriends@dominic.tas.edu.au).

### Free Dress for Fair Day!!

All K-10 students are encouraged to come in Free Dress on Fair Day to be comfortable and relaxed and enjoy all that is on offer! Free dress is by gold coin donation to your classroom/oratory teacher.

**Major Raffle** - Thank you for all the support shown so far for our Raffle this year- the barrel is starting to fill up but there is still time to buy tickets and to sell a book. Tickets are \$2 each and prizes are worth over \$2800.

**1st prize - King's Trailer full of goodies, 2nd prize - Pennicott Cruise Voucher, 3rd Prize - Blundstone Boots Voucher, 4th Prize - Heat Pump Service Voucher and 5th prize - Taylor & Smith 500ml Bottle of Gin.**

**Please return all sold/unsold books asap as tickets are in high demand.**

**Cake Stall** - Bakers your time is fast approaching!! The cake stall flyer will be emailed out very soon and we are looking forward to a range of delicious items being contributed by our amazing school community. We would love to see cakes, slices, muffins, scones, cupcakes, gluten free items and even jams, preserves and relish donated to the stall. Please drop off your goodies from 8am on Fair Day at the Savio Centre and make sure you have the flyer attached to your donation. No nuts, cream or products that require refrigeration please.

Check out the 'Dominic College Community Fair' Facebook page <https://www.facebook.com/dominiccollegecommunityfair> to keep up to date with everything that is happening. It has photos of generously donated items for the Silent Auction and Chocolate Wheel and what stall each K-6 classroom and Oratory groups are running.

We would love any donations of plants/herbs/veggies/flowers/succulents for the DOSA Plant Stall, promotional material, pens, collectables etc for the showbags, bottles of wine for the wine Lucky Dip and Christmas craft items, presents, or new books for our Christmas Stall. Please drop off any donations to Grantleigh, the student offices, or drop into the Savio Centre on Fair Day from 8am.

Thank you to all staff, students, parents and businesses for your generosity and support so far of this major P&F event. The Fair Committee has worked hard all year to put this event together and it would not happen without the support of the whole Dominic Community.

**Mrs Nicola Rayner - P&F Fair Coordinator 2023**

**A PLAYGROUND WHERE FRIENDS MEET**

## Dominic Old Scholars Association (DOSA)

### Old Scholars Visit

Football legend, Anthony (Andy) Lovell (1986) and family visited Dominic College during the recent school holidays to enjoy the memories and show his wife and daughter where he went to school.

Andy enrolled in Year 7 in 1983 and left at the end of Year 11 in 1987 as he had been a very early and young draftee to the Melbourne Football Club. He played 121 games for the Demons and then 43 games for West Coast. For the last 25 years he has had a range of Assistant Coach, Senior Coach, Player Development and Coaching Director roles at clubs in Western Australia and Queensland, and is currently Director of Football at Bond University. Andy was inducted into the Dominic College Hall of Achievement in 2003.

Andy and his sister, Melissa Lovell (1993) recalled their school days with great affection and were grateful to the educators, teachers and religious of the day, for giving them a well-rounded education.

### Class of 1973 Reunion

The Year 10 Class of 1973 celebrated their 50th Anniversary at Dominic College and Guilford Young College on Saturday 14 October.

In 1972, before the formal amalgamation of Savio College, Holy Name, St John's Primary School and Savio Primary School, there had been some co-educational classes but for most students it was not till 1973 that they enjoyed co-ed classes.

The Class was welcomed by DOSA committee members, Michael Webb and Diane Cerritelli, who assisted with the program. We enjoyed some refreshments, plenty of photos and memorabilia and the lovely company of the students' former teacher and principal, Sr Pam Davis OP, in the White House and then most of the boys joined a tour of Savio College.

The group moved down to Guilford Young College to visit the outside of the convent and the classrooms of Holy Name as well as the outside of the classrooms of St John's Primary School and Savio Primary School. Most of the group progressed to Amici's Restaurant for a lovely meal in the evening. Thank you very much to Tom Jarvis and Anne Pigden and their friends who made it all happen and supported the Class of 1973 in their Reunion.

The Old Scholars enjoyed the afternoon very much and agreed they might have to meet next for 55 years rather than 60!

### 1983 Reunion

The Year 10 Class of 1983 enjoyed a Reunion on Saturday 28 October at Deep South Brewing in town, organised by Leesa O'Keefe who was down visiting from her home on the Central Coast of NSW.

Before the evening began some students wanted to meet at Dominic for a catch-up and a tour. Old Scholars Coordinator, Mark Dillon, and DOSA Committee member, Michael Webb, greeted the ex-students and invited them to enjoy and share some photos and hospitality in the White House.

On the tour around the classrooms and playgrounds of what was, in the 1980s, the Middle School (Years 7-9) the group recalled their teachers, friends and classes with nostalgic affection.

The 1983 group were grateful for the opportunity and very pleased with how the school has grown and modernised.

**Mr Mark Dillon - DOSA Coordinator**

# A PLAYGROUND WHERE FRIENDS MEET

## College News

### Staying safe on our school services

Across the state our drivers take immense pride in delivering a dependable and safe service, and are thrilled to be part of your students' daily journey.

Our dedicated drivers genuinely enjoy the important community role they play in transporting your students to and from school each day and take their responsibility to ensure a safe journey for all seriously.

#### BEHAVIOUR ON-BOARD OUR BUSES

Your students can help make sure our drivers are able to focus on the road and get everyone to and from school safely by remaining seated, and wearing a seatbelt if available. If they need to need to speak to the driver, wait until the bus has stopped. Students can avoid distracting our drivers by using headphones when listening to music or playing games and not shouting. We'd really appreciate your support in reminding your students about good behaviour, which includes no vaping on our services. Their actions not only affect their own safety and comfort but also the comfort, safety, and happiness of everyone else on board.

For more information about what's expected from students on our buses please check out the Passenger Conduct Code for School Bus Services. You can access this here: [Passenger Conduct Code for School Bus Services - Transport Services](#)

#### VAPING ON-BOARD OUR SERVICES

Recently there has been an increase in incidents involving vaping on our school bus services. We appreciate your school's support in reminding students that smoking and vaping are not permitted on our buses. It is a significant hazard, and can pose a risk to property and other passengers on-board.

If you have any queries about our school services, please give our local teams a call on:

Devonport: 03 6427 7626

Launceston: 03 6336 1435

Hobart: 03 6214 7305

New Norfolk: 03 6261 4653

Thank you for your support in our partnership to provide safe and reliable school bus services to your students. We look forward to welcoming your students on-board again soon.

### UNIFORM SHOP OPENING HOURS

The Dominic Uniform Shop will close for 2023 on Friday 15 December and will reopen for 'back to school' in January 2024.

#### Back to School 2024

The Uniform Shop is by appointment only from 15-25 January. Appointment dates and times can be viewed by registering at the following: [dominiccollege.permableat.com.au/schoolbookings](https://dominiccollege.permableat.com.au/schoolbookings)

#### PLEASE NOTE FAMILIES MUST BOOK A SEPARATE APPOINTMENT FOR EACH CHILD ATTENDING.

If unable to attend your scheduled appointment please login to the online calendar to cancel or reschedule the booking. Your co-operation would be greatly appreciated as this will free-up appointment times for other families.

We strongly recommend and encourage parents to make an appointment to ensure a personalised and efficient fitting service and to avoid long queues.

Those unable to come in during the appointment only dates or unable to secure a booking once we are fully booked are welcome to come in during the dates and times below:

*Please note these dates are not by appointment and we will see families as they arrive.*

**Monday 29 January - 9.00am-4.00pm**

**Tuesday 30 January - 9.00am-4.00pm**

**Wednesday 31 January - 11.00am-5.30pm**

**Thursday 1 February - 9.00am-4.00pm**

**Friday 2 February - 8.00am-12.00pm (First day of Term 1)**

Please allow ample time for your visit as the number of people permitted in the shop is limited and wait times can vary.

**Regular Term trading hours will resume from Monday 5 February 2024:**

**Monday - 8.00am-12.30pm**

**Wednesday - 12.30pm-4.30pm**

**Friday - 12.30pm-4.30pm**
